

Flatland Diesel & Automotive

717 N Hickory St | McPherson, KS 67460 | (620) 504-9268 | office@flatland-diesel.com

Automotive Technician

We are looking for a motivated **Automotive Technician** who takes pride in their work and has a strong desire to learn, contribute, and succeed. The right person will bring a strong work ethic, a positive attitude, and a desire to be part of a young, growing business.

Our specialty is **diesel pickup diagnostics, repair, and maintenance** but we work on **many different makes and models**; having diesel experience is a plus but not necessary. We value someone who can diagnose and repair vehicles efficiently, takes pride in quality workmanship, and is willing to take ownership of their work.

What We're Looking For

- Experience with automotive diagnostics, repair, and maintenance
- Pride in workmanship and attention to detail
- Self-motivated, honest, and willing to learn
- Desire to help a growing business succeed
- Team-oriented with a positive, can-do attitude

Compensation & Benefits

- **\$25 – \$40 per hour**, depending on experience and qualifications
- Holiday, Vacation, and Sick leave
- Assistance with healthcare expense
- Performance bonuses

Work Environment

- **Climate-controlled shop**
- Regular hours of **8:00 AM – 5:30 PM M – F**, no planned weekend work
- Professional, team-oriented environment
- Opportunity to have a voice and grow alongside a young, expanding business

Send your cover letter or resume to office@flatland-diesel.com or drop by the shop!
